

MNPS 2009 Annual Fall Conference

Weekend Field Trips

Participants head into the field to explore a variety of ecosystems within Maryland's Blue Ridge. Additional field trips may be planned. The website will be updated as field trips are confirmed.

Field trips will be held Saturday afternoon and Sunday.

Saturday Trips

Registration for Saturday field trips is limited to conference participants; participants will sign up for field trips Saturday morning at the conference and will receive directions to the trip sites.

Sunday Trips

Sunday field trips are open to the public unless noted otherwise.
