

## Maryland Native Plant Society Plant Lists

We offer these lists to individuals and groups to enhance the enjoyment and study of plants of different locations in Maryland and nearby states. Their accuracy has not been verified by the Maryland Native Plant Society.

### CHAPMAN FOREST, CHARLES COUNTY, MD

This list records plants seen on a field trip to Chapman Forest on March 26, 2006. Field trip led by Rod Simmons. List made by Kirsten Johnson. Nomenclature follows the USDA Plant Database at <http://plants.usda.gov> (January 2011). Synonyms are footnoted for some species.

|  |                             |                 |
|--|-----------------------------|-----------------|
| <i>Acer rubrum</i>                         | Red maple                   | Aceraceae       |
| <i>Arabis laevigata</i>                    | Smooth rock cress           | Brassicaceae    |
| <i>Asimina triloba</i>                     | Pawpaw                      | Annonaceae      |
| <i>Campsis radicans</i>                    | Trumpet creeper             | Bignoniaceae    |
| <i>Cardamine angustata</i> <sup>1</sup>    | Slender toothwort           | Brassicaceae    |
| <i>Cardamine concatenata</i> <sup>2</sup>  | Cut-leaved toothwort        | Brassicaceae    |
| <i>Carpinus caroliniana</i>                | Hornbeam                    | Betulaceae      |
| <i>Carya alba</i> <sup>3</sup>             | Mockernut hickory           | Juglandaceae    |
| <i>Carya cordiformis</i>                   | Bitternut hickory           | Juglandaceae    |
| <i>Carya glabra</i>                        | Pignut hickory              | Juglandaceae    |
| <i>Carya ovalis</i>                        | Sweet pignut hickory        | Juglandaceae    |
| <i>Celtis tenuifolia</i>                   | Dwarf hackberry             | Ulmaceae        |
| <i>Chimaphila maculata</i>                 | Spotted wintergreen         | Pyrolaceae      |
| <i>Claytonia virginica</i>                 | Spring beauty               | Portulacaceae   |
| <i>Corydalis flavula</i>                   | Yellow corydalis            | Fumariaceae     |
| <i>Dicentra cucullaria</i>                 | Dutchman's breeches         | Fumariaceae     |
| <i>Dichanthelium clandestinum</i>          | Deer-tongue grass           | Poaceae         |
| <i>Erythronium americanum</i>              | Trout lily                  | Liliaceae       |
| <i>Fraxinus americana</i>                  | White ash                   | Oleaceae        |
| <i>Gaylussacia baccata</i>                 | Black huckleberry           | Ericaceae       |
| <i>Geranium carolinianum</i>               | Carolina cranesbill         | Geraniaceae     |
| <i>Ilex decidua</i>                        | Deciduous holly             | Aquifoliaceae   |
| <i>Ilex opaca</i>                          | American holly              | Aquifoliaceae   |
| <i>Lemna minor</i>                         | Small duckweed              | Lemnaceae       |
| <i>Lindera benzoin</i>                     | Spicebush                   | Lauraceae       |
| <i>Liquidambar styraciflua</i>             | Sweet gum                   | Hamamelidaceae  |
| <i>Lycopodium digitatum</i>                | Fan clubmoss                | Lycopodiaceae   |
| <i>Melica mutica</i>                       | Narrow melicgrass           | Poaceae         |
| <i>Mitchella repens</i>                    | Partridgeberry              | Rubiaceae       |
| <i>Morella cerifera</i> <sup>4</sup>       | Wax-myrtle                  | Myricaceae      |
| <i>Nemophila aphylla</i>                   | Small-flower baby-blue-eyes | Hydrophyllaceae |
| <i>Ostrya virginiana</i>                   | Hophornbeam                 | Betulaceae      |
| <i>Phoradendron leucarpum</i> <sup>5</sup> | Mistletoe                   | Viscaceae       |
| <i>Pinus taeda</i>                         | Loblolly pine               | Pinaceae        |
| <i>Podophyllum peltatum</i>                | Mayapple                    | Berberidaceae   |

|                                      |                    |                |
|--------------------------------------|--------------------|----------------|
| <i>Populus grandidentata</i>         | Big-toothed aspen  | Salicaceae     |
| <i>Quercus falcata</i>               | Southern red oak   | Fagaceae       |
| <i>Quercus michauxii</i>             | Swamp chestnut oak | Fagaceae       |
| <i>Quercus muehlenbergii</i>         | Chinquapin oak     | Fagaceae       |
| <i>Quercus pagoda</i>                | Pagoda oak         | Fagaceae       |
| <i>Quercus prinus</i>                | Chestnut oak       | Fagaceae       |
| <i>Quercus rubra</i>                 | Northern red oak   | Fagaceae       |
| <i>Quercus stellata</i>              | Post oak           | Fagaceae       |
| <i>Sambucus nigra</i> <sup>6</sup>   | Elderberry         | Caprifoliaceae |
| <i>Sanguinaria canadensis</i>        | Bloodroot          | Papaveraceae   |
| <i>Sassafras albidum</i>             | Sassafras          | Lauraceae      |
| <i>Tilia americana</i>               | Basswood           | Tiliaceae      |
| <i>Tipularia discolor</i>            | Cranefly orchid    | Orchidaceae    |
| <i>Trillium sessile</i>              | Toadshade          | Liliaceae      |
| <i>Vaccinium fuscum</i>              | Highbush blueberry | Ericaceae      |
| <i>Vaccinium pallidum</i>            | Lowbush blueberry  | Ericaceae      |
| <i>Vaccinium stamineum</i>           | Deerberry          | Ericaceae      |
| <i>Wolffia gladiata</i> <sup>7</sup> | Wolffia            | Lemnaceae      |

<sup>1</sup> *Dentaria heterophylla*

<sup>2</sup> *Dentaria laciniata*

<sup>3</sup> *Carya tomentosa*

<sup>4</sup> *Myrica cerifera*

<sup>5</sup> *Phoradendron flavescens*

<sup>6</sup> *Sambucus canadensis*

<sup>7</sup> *Wolffia floridana*
