

## Maryland Native Plant Society Plant Lists

We offer these lists to individuals and groups to enhance the enjoyment and study of plants of different locations in Maryland and nearby states. Their accuracy has not been verified by the Maryland Native Plant Society.

### FISHERMAN'S PARADISE, NEAR STATE COLLEGE, PA

This list records plants found along Spring Creek during a joint Maryland Native Plant Society and Pennsylvania Native Plant Society field trip on Sunday May 31, 2009.

Leader: Harry Henderson; Recorders: Cris Fleming and Ginny Yacovissi. Nomenclature follows the USDA Plant Database at <http://plants.usda.gov> (January 2011). Synonyms have been footnoted for some species.
