

## Maryland Native Plant Society Plant Lists

We offer these lists to individuals and groups to enhance the enjoyment and study of plants of different locations in Maryland and nearby states. Their accuracy has not been verified by the Maryland Native Plant Society.

### **B-CC IWLA CONSERVATION FARM, IZAAK WALTON LEAGUE PROPERTY MONTGOMERY COUNTY, MD**

This is a combined record of plant lists developed during four field surveys at the B-CC IWLA Conservation Farm property near Poolesville in May of the years 2008 through 2011. MNPS members participating in compiling the plant lists include Cris Fleming, Dwight Johnson, Kirsten Johnson, Ginny Yacovissi, Matt Cohen, Carole Bergmann, Marney Bruce, Ken Bawer and Beth Johnson. The 573 acre B-CC IWLA Conservation Farm is private property. Visitors to the property must have permission and be accompanied by a member of the organization. Nomenclature follows the USDA Plant Database at <http://plants.usda.gov> (January 2012). Synonyms are footnoted for some species.
