

## Maryland Native Plant Society Plant Lists

We offer these lists to individuals and groups to enhance the enjoyment and study of plants of different locations in Maryland and nearby states. Their accuracy has not been verified by the Maryland Native Plant Society.

### WATKINS REGIONAL PARK, PRINCE GEORGES COUNTY, MD

This list records plants seen during a field trip to the Watkins Regional Park near Upper Marboro on April 26, 2015. Field trip led by Matt Salo. Plant list by Matt Salo and others. Nomenclature follows the USDA Plant List Database at <http://plants.usda.gov> (February 2015). Synonyms are footnoted for some species.

|   |                      |                |
|---|----------------------|----------------|
| <i>Acer negundo</i>                                       | Boxelder             | Aceraceae      |
| <i>Ailanthus altissima</i>                                | Ailanthus            | Simaroubaceae  |
| <i>Alliaria petiolata</i> <sup>1</sup>                    | Garlic mustard       | Brassicaceae   |
| <i>Allium canadense</i>                                   | Wild garlic          | Liliaceae      |
| <i>Arisaema triphyllum</i> <sup>2</sup>                   | Jack-in the-pulpit   | Araceae        |
| <i>Asimina triloba</i>                                    | Pawpaw               | Annonaceae     |
| <i>Berberis thunbergii</i>                                | Japanese barberry    | Berberidaceae  |
| <i>Cardamine concatenata</i> <sup>3</sup>                 | Cut-leaved toothwort | Brassicaceae   |
| <i>Carpinus caroliniana</i>                               | Hornbeam             | Betulaceae     |
| <i>Celastrus orbiculatus</i>                              | Oriental bittersweet | Celastraceae   |
| <i>Chimaphila maculata</i>                                | Spotted wintergreen  | Pyrolaceae     |
| <i>Claytonia virginica</i>                                | Spring beauty        | Portulacaceae  |
| <i>Conopholis americana</i> <sup>4</sup>                  | Squawroot            | Orobanchaceae  |
| <i>Cornus florida</i>                                     | Flowering dogwood    | Cornaceae      |
| <i>Dicentra cucullaria</i>                                | Dutchman's breeches  | Fumariaceae    |
| <i>Dioscorea villosa</i>                                  | Wild yam             | Dioscoreaceae  |
| <i>Epifagus virginiana</i>                                | Beechdrops           | Orobanchaceae  |
| <i>Erythronium americanum</i>                             | Trout lily           | Liliaceae      |
| <i>Euonymus americanus</i>                                | Strawberry bush      | Celastraceae   |
| <i>Galearis spectabilis</i> <sup>5</sup>                  | Showy orchis         | Orchidaceae    |
| <i>Goodyera</i> sp.                                       | Rattlesnake plantain | Orchidaceae    |
| <i>Hedera helix</i>                                       | English ivy          | Araliaceae     |
| <i>Hepatica nobilis</i> var. <i>obtusata</i> <sup>6</sup> | Round-lobed hepatica | Ranunculaceae  |
| <i>Kalmia latifolia</i>                                   | Mountain laurel      | Ericaceae      |
| <i>Lamium amplexicaule</i>                                | Henbit               | Lamiaceae      |
| <i>Lonicera japonica</i>                                  | Japanese honeysuckle | Caprifoliaceae |
| <i>Maianthemum racemosum</i> <sup>7</sup>                 | False Solomon's seal | Liliaceae      |
| <i>Mertensia virginica</i>                                | Virginia bluebells   | Boraginaceae   |
| <i>Mitchella repens</i>                                   | Partridgeberry       | Rubiaceae      |
| <i>Osmorhiza claytonii</i>                                | Sweet cicely         | Apiaceae       |
| <i>Parthenocissus quinquefolia</i>                        | Virginia creeper     | Vitaceae       |

|   |                      |                  |
|---|----------------------|------------------|
| Podophyllum peltatum                      | Mayapple             | Berberidaceae    |
| Polygonum persicaria <sup>8</sup>         | Lady's thumb         | Polygonaceae     |
| Polystichum acrostichoides                | Christmas fern       | Dryopteridaceae  |
| Ranunculus abortivus                      | Aborted buttercup    | Ranunculaceae    |
| Rhododendron periclymenoides <sup>9</sup> | Pinxterbloom         | Ericaceae        |
| Rosa multiflora                           | Multiflora rose      | Rosaceae         |
| Rumex crispus                             | Curly dock           | Polygonaceae     |
| Sanguinaria canadensis                    | Bloodroot            | Papaveraceae     |
| Saxifraga virginiana                      | Early saxifrage      | Saxifragaceae    |
| Silene caroliniana                        | Wild pink            | Caryophyllaceae  |
| Smilax rotundifolia                       | Common greenbrier    | Smilacaceae      |
| Stellaria pubera                          | Star chickweed       | Caryophyllaceae  |
| Symphotrichum sp. <sup>10</sup>           | Aster                | Asteraceae       |
| Symplocarpus foetidus                     | Skunk cabbage        | Araceae          |
| Taraxacum officinale                      | Common dandelion     | Asteraceae       |
| Thelypteris noveboracensis                | New York fern        | Thelypteridaceae |
| Tipularia discolor                        | Cranefly orchid      | Orchidaceae      |
| Toxicodendron radicans <sup>11</sup>      | Poison ivy           | Anacardiaceae    |
| Trillium erectum                          | Erect trillium       | Liliaceae        |
| Uvularia sp.                              | Bellwort             | Liliaceae        |
| Vaccinium stamineum                       | Deerberry            | Ericaceae        |
| Viola pubescens <sup>12</sup>             | Smooth yellow violet | Violaceae        |
| Viola sororia <sup>13</sup>               | Common blue violet   | Violaceae        |
| Viola Striata                             | Pale violet          | Violaceae        |
