

Native Woody Plants of Montgomery County, Maryland

~ John Mills Parrish, 2002

Key for 'State Rank/Status' Column

State Rank Codes

Code	Description
S-1	Highly state rare. Critically imperiled in Maryland because of state rarity.
S-2	State rare. Imperiled in Maryland because of rarity.
S-3	Watchlist. Rare to uncommon in Maryland, worthy of attention due to limited distributions, declining populations, or ecological vulnerabilities.

State Status Codes

This is the status of a species as determined by the Maryland Department of Natural Resources, in accordance with the Non-game and Endangered Species Conservation Act. Definitions for the following categories have been taken from Code of Maryland Regulations (COMAR) 08.03.08.

Code	Description
E	Endangered. A species whose continued existence as a viable component of the state's flora or fauna is determined to be in jeopardy.
T	Threatened. A species of flora or fauna which appears likely, within the foreseeable future, to become endangered in the State.
SU	Possibly rare in Maryland, but of an uncertain status.

Note: Under Review indicates "Under Review for inclusion on Maryland rare species list."
