

**New Germany State Park**  
**Consolidated List of September 2009 and May 2010**

30 September 2009  
 15 May 2010

| Scientific Name                        | Common Name         | Synonym                     | Family          | 30 September 2009 | 15 May 2010 |
|--|---------------------|-----------------------------|-----------------|-------------------|-------------|
| <i>Acer pensylvanicum</i>              | Striped maple       |                             | Aceraceae       |                   | ✓           |
| <i>Acer rubrum</i>                     | Red maple           |                             | Aceraceae       |                   | ✓           |
| <i>Acer saccharum</i>                  | Sugar maple         |                             | Aceraceae       | ✓                 | ✓           |
| <i>Actaea pachypoda</i>                | White baneberry     |                             | Ranunculaceae   | ✓                 | ✓           |
| <i>Alliaria petiolata</i>              | Garlic mustard      | <i>Alliaria officinalis</i> | Brassicaceae    |                   | ✓           |
| <i>Alnus incana</i> ssp. <i>rugosa</i> | Rough alder         | <i>Alnus rugosa</i>         | Betulaceae      | ✓                 |             |
| <i>Anemone quinquefolia</i>            | Wood anemone        |                             | Ranunculaceae   |                   | ✓           |
| <i>Anemone virginiana</i>              | Thimbleweed         |                             | Ranunculaceae   | ✓                 | ✓           |
| <i>Antennaria neglecta</i>             | Field pussytoes     |                             | Asteraceae      | ✓                 |             |
| <i>Aquilegia canadensis</i>            | Wild columbine      |                             | Ranunculaceae   |                   | ✓           |
| <i>Aralia nudicaulis</i>               | Wild sarsaparilla   |                             | Araliaceae      | ✓                 | ✓           |
| <i>Arisaema triphyllum</i>             | Jack-in-the-pulpit  |                             | Araceae         | ✓                 | ✓           |
| <i>Asclepias syriaca</i>               | Milkweed            |                             | Asclepiadaceae  | ✓                 |             |
| <i>Barbarea vulgaris</i>               | Common wintercress  |                             | Brassicaceae    |                   | ✓           |
| <i>Betula alleghaniensis</i>           | Yellow birch        |                             | Betulaceae      |                   | ✓           |
| <i>Betula lenta</i>                    | Black birch         |                             | Betulaceae      | ✓                 | ✓           |
| <i>Cardamine</i> sp.                   | Bittercress         |                             | Brassicaceae    |                   | ✓           |
| <i>Carex platyphylla</i>               | Broad-leaved sedge  |                             | Cyperaceae      |                   | ✓           |
| <i>Clematis virginiana</i>             | Virgin's bower      |                             | Ranunculaceae   | ✓                 |             |
| <i>Clinopodium vulgare</i>             | Wild basil          | <i>Satureja vulgaris</i>    | Lamiaceae       | ✓                 | ✓           |
| <i>Crataegus</i> sp.                   | Hawthorn            |                             | Rosaceae        |                   | ✓           |
| <i>Cypripedium acaule</i>              | Pink lady's slipper |                             | Orchidaceae     |                   | ✓           |
| <i>Daucus carota</i>                   | Queen Anne's lace   |                             | Apiaceae        | ✓                 |             |
| <i>Dioscorea villosa</i>               | Wild yam            |                             | Dioscoreaceae   |                   | ✓           |
| <i>Drosera</i> sp.                     | Sundew              |                             | Droseraceae     | ✓                 |             |
| <i>Dryopteris intermedia</i>           | Evergreen wood fern |                             | Dryopteridaceae | ✓                 |             |
| <i>Dryopteris</i> sp.                  | Wood fern           |                             | Dryopteridaceae |                   | ✓           |
| <i>Epigaea repens</i>                  | Trailing arbutus    |                             | Ericaceae       | ✓                 |             |
| <i>Equisetum arvense</i>               | Field horsetail     |                             | Equisetaceae    | ✓                 |             |

|                        |                        |                          |                |   |   |
|------------------------|------------------------|--------------------------|----------------|---|---|
| Erigeron sp.           | Daisy fleabane         |                          | Asteraceae     |   | ✓ |
| Eupatorium perfoliatum | Boneset                |                          | Asteraceae     | ✓ |   |
| Euthamia graminifolia  | Grass-leaved goldenrod | Solidago graminifolia    | Asteraceae     | ✓ |   |
| Fagus grandifolia      | Beech                  |                          | Fagaceae       |   | ✓ |
